

COMMUNITY HEALTH WORKER TRAINING

80-HOUR FOUNDATIONAL COURSE

PEOPLE • FAMILIES • STRONGER COMMUNITIES

FOR NEW AND ENTRY-LEVEL COMMUNITY HEALTH WORKERS

Turn community connection into practical CHW skills.

Build a foundation for supporting individuals and families, navigating resources and working within the CHW role. Designed for people beginning community health work and organizations developing their workforce.

CHOOSE THE SCHEDULE THAT FITS YOUR TEAM

Course length	Training schedule
10 weeks	Two 4-hour sessions per week
12 weeks	Two 4-hour sessions weekly for 8 weeks, then one weekly for 4 weeks

In-person classes are encouraged. Hybrid delivery is also available.

Hybrid participants must meet the same attendance, practice, assessment and supervised field-experience requirements as in-person participants. Supervised field activities take place in person.

PRACTICAL SKILLS FOR COMMUNITY IMPACT

- Communication, relationship building, outreach and advocacy
- Health navigation, resource connections and health education
- Individual and community assessment, public health and social drivers of health
- Professional boundaries, documentation, evaluation and applied practice

TUITION

Enrollment option	Course price
Individual seat	\$1,750
Community partner individual seat	\$1,500
Private cohort of 8 participants	\$12,000

Inquire about community partner cohort pricing.

Partner rates apply to organizations directly partnered with FA-Connect to provide community services. Organizations without a current affiliation may apply for partner pricing.

Tuition includes instruction, materials, assessments, supervised field activities and a certificate upon successful completion. The same tuition applies to either course length.
